

Place a small object or scrap piece of paper on START.

Solve each addition problem. Add the numbers together and move your game piece forward that many spaces.

Solve each subtraction problem. Subtract the numbers and move your game piece backward that many spaces.

Continue solving the problems and moving along the path until you reach 20, the Finish Line!

Remember: Addition (+) = Move Forward! Subtraction (–) = Move Backward!

Step 1. 5+3= _____ (ANSWER 1) Move Forward _____ (ANSWER 1) Spaces

Step 2. 6-2 = _____ (ANSWER 2) Move Backward _____ (ANSWER 2) Spaces

Step 3. 4+5 = _____ (ANSWER 3) Move Forward _____ (ANSWER 3) Spaces

Step 4. 7-3 = _____ (ANSWER 4) Move Backward _____ (ANSWER 4) Spaces

Step 5: 8+4 = _____ (ANSWER 5) Move Forward _____ (ANSWER 5) Spaces

Step 6: 5-2 =_____ (ANSWER 6) Move Backward _____ (ANSWER 6) Spaces

Step 7 8+2 =_____ (ANSWER 7) Move forward _____ (ANSWER 7) Spaces
